

Club KiDA

Dynamic, interactive approach to social development

6-10 Year Old Kids 90 Minute Sessions

Interactive sessions include:

- Sports activities (including soccer, karate, and more)
- Art projects
- Handwriting and journaling
- Cooking and preparing meals

- Club KIDA focuses on the social development of elementary aged children. This interactive, action-packed program offers kids a fun and natural setting to develop the skills they need to be successful in school and in life.
- Club KIDA addresses the various issues that can impede a child's confidence in social settings. Each child's unique needs are addressed within the group.
- Our licensed and experienced therapists will focus on interpersonal skills, social appropriateness, and sensory processing; helping kids see themselves as independent, confident people— while having fun and making friends!
